Welcome to Carmen, OSU's course managing system. In Carmen you will find different course materials and items available in the ENGR 1188 course. You will also find your gradebook available online.

The toolbar located at the top of the page will be your main guide through the Carmen program. Course Home will always take you back to the home page, where you will find announcements and different information that your professor may want to provide you with.

Under the Grades dropdown menu, the Grades option will allow access to your grades throughout the quarter, so you can monitor your progress in the course.

Under the Activities dropdown menu, the Quizzes option will allow you to access both the quizzes that will be assigned during the quarter and Journals.

The Dropbox option will allow you to upload assignments which are due electronically. Refer to your class schedule so that you are aware of the due dates for these items.

Welcome to the First-Year Engineering Program. If you have questions about the Carmen program you can contact 650-HELP or carmen@oeu.edu.

Trouble opening documents on Carmen?

Internet Explorer is the best choice of browser for PC users wishing to access Carmen, but problems can occur if Internet Explorer is set up incorrectly. Please make https://carmen.oeu.edu a “Trusted Site” in the Internet Options of your browser.

1. In your browser Window, click on the “Tools” menu, and select “Internet Options…” Select the “Security” tab, and click on the icon labeled “Trusted Sites”.
2. Click on the “Sites…” button. In the text box titled “Add this web site to the zone”, type https://carmen.oeu.edu, and click on the “Add” button. Click “Ok.”
